Purpose

To describe current status and planned efforts for the XML Namespace for C2 Ground Operations and the Joint Common Database.

Current

- JCDB ORG Segment Delivered to DISA 3 May 00 (friendly and enemy)
- Incorporates ORG and ORG LOC data
- Includes XML:
  - TAGS
  - Style Sheets
  - DTD’s

Planned

- FEATURE SEGMENT - 1 June 2000
- PERSON SEGMENT - 1 July 2000
- MATERIEL SEGMENT - 1 August 2000
- FACILITY SEGMENT - 1 September 2000
- Other functional area segments to follow on on a monthly basis as required.

Product Improvements

- Conversion to XML Schemas vice DTD’s
- Provide for more robust:
  - **Data typing**
  - **Data descriptions**
  - **XML parser to db interface**
